

Spring 2019

May 14, 2019 Village Spring Clean-Up

Village resident must have their refuse placed curbside by no later than 7:00 a.m.

As waste Management will begin pickup and will only make one pickup at each Residence. Please break down all your refuse, Making it easier to handle. Place your containers at curb side along with all other items. Please put your containers back after they have been emptied. Any refuse placed in the right-of-way after May 14, 2019 may be subject to a Civil Infraction Ticket.

(Notice No Tires, Construction Debris, Chemicals, Paint Cans will not be picked up).

Yard Waste Collection:

During month of April through September, residents are required to bag their yard waste in Brown Waste Recyclable bags and place bags curbside. These bags will be collected each **Tuesday** on a weekly basis. (No yard waste will be collected by the Village during December, January, February, or March.) You may purchase your bags for \$.50 each, at the Edmore Village Office at 209 S. Sheldon St. Edmore Mich.

Any questions on any Village Ordinance's please feel free to contact the Edmore Village Office 989-427-5641

Edmore DPW News

The Edmore DPW will begin to flush hydrants in late May and early June as weather and staffing allows. Hydrants will be flushed during late night and early morning hours to limit the loss of water pressure. If your tap has rusty or off color water please run for several minutes and it should eventually run clear. If it does not please feel free to call the Village DPW at 427-3747

Brush Clean-Up and Chipping Reminder:

Brush shall be placed in the front yard at the edge of the public street with ends sticking out. No limbs larger than 4 inches in diameter will be accepted. Piles of brush should be stacked neatly and orderly and under four feet in height. No vines or loose leaves will be accepted, lawn bags are available for purchase at the village office. Brush intertwined with plastics will not be accepted. No metal or wire (fencing, electrical cable, root balls, etc) will be accepted. **No lot clearing debris or whole tree or that from a byproduct of commercial cutting/ trimming will be accepted.** Limit the weight of bags to less than 50 lbs. Place by the curb by 7:30am. brush collection/chipper service is provided the first Tuesday of the month to all single family residential properties April through November.

Cemetery Reminders:

- Potted Plants are allowed April 1st- November 1st.
- Seasonal Decorations not removed by those dates can be removed without notice.
- All flowers, containers are to be set on a concrete base. No glass.
- No tree of any type shall be planted (without the approval from the DPW Supervisor).
- The DPW may remove or trim any plant, tree or shrub in the interest of maintaining the use and appearance of the Cemetery.

We Want To See Your Numbers:

Water emergency, and it could cost valuable minutes during an emergency. Properly displaying your address could save your life! **Please make sure:** - Building numbers are at least 4in. tall. That trees or shrubs are trimmed so numbers are visible -House numbers are lit, reflective or contrasting.

No Wipes Down the Pipes Village Reminds Residents to Protect Sewer Systems Edmore, MI

The Village of Edmore would like to remind residents that only three items should be flushed down the drain; #1, #2 and toilet paper. All other material is not made to flush smoothly through the sewer system. Please help keep the Village sewer system flowing smoothly by not flushing anything else down the toilet.

Unfortunately, some items marketed as “flushable” have become a threat to residential and municipal sewer systems, causing expensive clogs and messy sewage back up in homes and businesses.

“Clogged pumps have a tough time pumping waste to the sanitary sewer system when they are clogged with 'flushable' wipes,” said Andy Andersen, Edmore DPW Supervisor. “Flushable' wipes are not made to be flushed and can cause costly sewage backups into people's basements.”

If you must use a "wet wipe" instead of toilet paper, please dispose of them in the garbage.

Remember, the only thing you should ever flush down a toilet is #1, #2 and toilet paper. And keep in mind: “No Wipes Down the Pipes”

Some items not to flush:

- Baby wipes, disinfectant wipes, moist wipes, etc.
- Diapers (cloth, disposable, "flushable")
- Sanitary napkins, tampons, condoms, or any non- organic material
- Fats, oils, and grease (FOG)
- Dental floss, Q-tips and cotton balls
- “Swiffers” toilet bowl scrub pads
- Napkins (paper or cloth), paper towels, facial tissues
- Seeds, peelings, egg shells, nutshells, and coffee grounds
- Bandages and bandage wrappings
- Clothing, Wash cloths, towels, rags (any cloth item)
- Plastic of any kind
- Medicines/pharmaceuticals (put original containers in a plastic zip-lock bag, throw the bag in the trash or take to a recycling, drop-off, or household hazardous waste collection)
- Harmful chemicals such as solvent-based glue, paint, strippers, wood preservatives, nail polish, antifreeze, engine cleaners/degreasers, gasoline, motor oil, fertilizers, pesticides, and pool/spa chemicals
